

KUSUMA SRAVYA VEMPA

Student

📁 SUMMARY

Motivated and enthusiastic third-year B.Tech student at Vignan's Foundation for Science, Technology & Research, Vadlamudi, with a strong interest in web development and software development. I have completed web development courses and successfully undergone a paid web development internship, where I gained practical experience in building responsive and user-friendly web applications. I am eager to apply my technical knowledge, enhance my problem-solving abilities, and gain hands-on industry experience through internships and entry-level opportunities. A quick learner with a positive attitude, I am committed to continuous learning, teamwork, and contributing effectively to organizational goals.
